While it is anticipated that the bonds or notes will qualify as tax exempt bonds, the Mayor and the Treasurer are authorized, upon the advice of bond counsel, to issue all or any portion of the bonds or notes as bonds or notes the interest on which is includable in the gross income of the owners thereof for federal income tax purposes and it is hereby found and determined that the issuance of any such bonds or notes is in the public interest.

The bonds or notes shall be general obligations of the City and each of the bonds or notes shall recite that every requirement of law relating to its issue has been duly complied with, that such bonds or notes are within every debt and other limit prescribed by law, and that the full faith and credit of the City are pledged to the payment of the principal thereof and interest thereon. The aggregate principal amount of bonds or notes to be issued, the annual installments of principal, redemption provisions, if any, the date, interest rate or rates, form and manner of sale, time of issuance and sale, designation, price, maturities, and other terms, details and particulars of such bonds or notes shall be determined by the Mayor and the Treasurer.

BE IT FURTHER RESOLVED, that the Mayor and Treasurer are authorized to issue temporary notes in anticipation of the receipt of the proceeds of said bonds or notes and the receipt of any federal, state or other grant-in-aid for the project. The notes shall be executed in the name and on behalf of the City by the facsimile or manual signatures of the Mayor and the Treasurer, bear the City seal or a facsimile thereof, be certified and payable at a bank or trust company designated by the Mayor and the Treasurer which bank or trust company may also be designated as the registrar and transfer agent, and be approved as to their legality by Bond Counsel to the City. The notes shall be issued with maturity dates in accordance with the Connecticut General Statutes, as amended. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing, and marketing such notes, to the extent paid from the proceeds from the issuance of bonds or notes, shall be included as a cost of the project.

BE IT FURTHER RESOLVED, that the bonds, notes or temporary notes may be sold by the Mayor and Treasurer in a public sale, sealed proposal or a negotiated underwriting and the Mayor and the Treasurer are authorized to select the underwriter or underwriters and to enter into, execute and deliver on behalf of the City a contract of purchase for such bonds, notes or temporary notes on such terms and conditions as they shall determine.
