

New Britain Parks and Recreation Department

October 15, 2009

News Release

Contact: Bill DeMaio, Director of Parks and Recreation, 860-826-3364

The New Britain Parks and Recreation Department announced today that the loop road around Walnut Hill Park will be closed to both vehicle and pedestrian traffic starting Monday October 19, 2009 and will remain closed for approximately 3 weeks. This closing is due to the existing construction work being done to the park's drainage system.
