ADDITIONAL REQUIREMENTS:

To be considered complete, all applications must include the materials listed below. Photos may also be submitted by email to: sschiller@newbritainct.gov.

- Photo of front of property
- Photo of side of property that work will be performed on
- Photo of streetscape, including adjacent buildings
- Close-up photos of all features being worked on

Other items, such as architectural drawings, manufacturer's literature, location sketches, and product samples should also be submitted if available. If not submitted with application, these items may be requested during the review process.

All applications for new construction and building additions must include scaled drawings of the same quality and type as are required for site plan review.

Failure to supply necessary materials or information will impede the review process, and could delay the issuance of your permit.
